About WHOIS

Who is Service enables users to search details of domain name registrant, contact information, domain name server to the host, and IP address.

This Who is Service can be accessed through:
- CMC official website (www.cmc.iq ); or
- Port 43 to the Registry who is server (whois.cmc.iq)

The Who is database is provided for information purposes only and is designed to assist persons in determining contents of a domain name registration record in the .iq database. Users of this service are strictly prohibited from using the Who is information, which includes but not limited to, copying, storing, downloading, transferring, transmitting and/or collecting the Who is information for the following activities:
- advertising and/or marketing purposes;
- unsolicited communication purposes via email or otherwise;
- commercial purpose;
- illegal purpose; and any other abusive purpose.

Please notify CMC if you are aware of any of the above mentioned activities.

It is impermissible to access or query the .iq who is database through the use of electronic processes that are high-volume and automated. who is database is provided by CMC as a service to the accredited registrars for information purposes only. CMC does not guarantee accuracy of such information.

Please be informed that:
1. There are certain limitation imposed on the number of connections and number of queries allowed for any specified IP address.
2. Users may be allowed to carry out only restricted number of queries per day from the same IP address.
3. CMC may change the above mentioned restrictions or type of information in the Who is database at any time without any prior notice.
